2022 Annual Report

Family Community Clinics' mission is to improve the health of the medically underserved and uninsured in Louisville by providing high quality, affordable primary healthcare services, and wellness education to those who lack appropriate alternatives; this mission is rooted in the teachings of the Roman Catholic Church, and this cooperation shall conduct its affairs in the spirit and in accord with the teachings of the Roman Catholic Church.

One of the joys of preparing an annual report is that it allows us to look back and be thankful for all that has been accomplished. The past fiscal year was filled with wonderful opportunities and many challenges. The number of uninsured patients that the Volunteer Physicians, Nurse Practitioners, R.N.'s, Interpreters, Scribes, and Front Desk professionals provided care for the 2021 year is:

- Louisville Metropolitan Area: 2,586
- Southern Indiana: 250
- Referrals to Partner Organization: 280

The following is an overview of Family Community Clinic income and expense for the year ending September 30, 2021, as reflected on our IRS form 990.
