*We care for those without health insurance. Family Community is a small Clinic with a big story to tell. It is staffed with the strength and dedication of many volunteer providers, dentists, nurses, interpreters, and scribes alongside a small staff of five. It's funded by many compassionate and generous donors. The past fiscal year was another wonderful opportunity to serve our uninsured community. We are very fortunate to have so many compassionate volunteers that dedicate their time and energy to the clinic! Since 2011, our volunteers have accumulated a total of **63,331 hours of service**. Since we began, we have provided over **\$3.6 million worth of free healthcare**. Over the span of 8 years, over **\$1 million worth of free dental care** has been provided by the Free Smiles dental clinic.*
