2025 AT A GLANCE

The past fiscal year was defined by meaningful growth and expanded **impact!** The clinic increased both the number of patient visits and individuals served, while also experiencing a rise in volunteer engagement and donor support. A total of **223 donors** contributed to advancing the clinic's mission, while **278 referrals** strengthened access to care within the community. A dedicated team of **341 volunteers** contributed **12,755 hours of service**, helping make **3,453 patient visits possible**. In total, FCC volunteers have now contributed an extraordinary **87,875 hours of service**—an enduring testament to their commitment and generosity.
